Illinois District Fine Arts 2027

Big gifts. New possibilities. Let's get started.

Your students have God-given gifts waiting to grow. Fine Arts gives them a place to explore, build confidence, and put those gifts into action, with you cheering them on.

SATURDAY, APRIL 17, 2027

Lake Williamson Christian Center | Carlinville, Illinois

GET YOUR STUDENTS DREAMING

01 Make the invitation.

Who's always singing, sketching, writing, creating videos, or ready to speak up? Help them see how God can use what they love.

02 Build their crew.

Connect students with mentors who will encourage them, challenge them, and help them grow.

03 Make practice meaningful.

Bring the devotional into your practices. Pray together, grow together, and keep Jesus at the center.

04 Put those gifts in motion.

Give students opportunities to serve in your church and community now. Their ministry can begin before festival day!

GET IT ON THE CALENDAR!
